

Introducing '70s girl Julie Albright, the new historical character!

Girls will love Julie Albright—a fun-loving girl growing up in San Francisco during the seventies, finding her place in times of change. The first new historical character in more than five years, Julie is an exciting addition to the bestselling American Girl line.

Julie's stories teach girls that when it's important—when a friend is in trouble, an animal is endangered, or a rule needs to be rewritten—it's time to make the change happen yourself. It's a lesson of determination and encouragement for girls of every era.

Meet Julie: Book 1

Julie Tells Her Story: Book 2

Happy New Year, Julie: Book 3

Julie and the Eagles: Book 4

Additional Julie™ and Ivy™ titles, not pictured:
